Chained into stone
You're crucified
Worshipped and adored
Chasing the shadows
Caught in time
Who's descended from mankind

(pre-chorus)
Who see the vision
Do you want a blind
Man to search
Who lead this mission
Do you want the lost fool to hurt
And haunt you in your mind

(chorus)
Trial your heart
Only the innocent will last in time
A brave new start
The truth will be
Stronger, harder
So trial your heart
Only the innocent will last in time
A brave new start
The truth will be
Stronger, harder to bare

Scattered by dreams that

Twist your mind
Fools your own believes
Ruthless are times when you
Live in fear
The conscious rules your world

(pre-chorus)
Who see the vision
Do you want a blind
Man to search
Who lead this mission
Do you want the lost fool to hurt
And haunt you in your mind

(chorus)
Trial your heart
Only the innocent will last in time
A brave new start
The truth will be
Stronger, harder
So trial your heart
Only the innocent will last in time
A brave new start
The truth will be
Stronger, harder to bare
