Travelling on my own  
A journey far from home  
Heading for the Promised Land  
Follow me on this ride  
Must get there before the tide

Stay calm and hold my hand  
One last wish  
Will come true  
One last dream  
Reveals your future  
One last walk  
Will take us there  
One last word  
Bringing us to life  
Bringing us to the otherworld

(chorus)  
When all the stars begin to fall  
And the sky is fading away  
The otherworld will catch us all  
There's no return from the otherworld  
Follow the light ahead  
All behind you is dead  
Only a few steps left to go  
Leave the old world down below

One last wish  
Will come true  
One last dream  
Reveals your future  
One last walk  
Will take us there  
One last word  
Bringing us to life  
Bringing us to the otherworld

(chorus)  
When all the stars begin to fall  
And the sky is fading away  
The otherworld will catch us all  
There's no return from the otherworld
