Lose, losing it all  
It won't come back  
The memories of a lost life  
Feel, feeling it now  
I wonder how it could  
Vanish in the past

Hunt, hunting for truth  
They must be here  
The answers erased  
From my mind  
Refuse, refusing to die  
There is still more to learn so  
Much more to know

(chorus)  
Saved by the rain  
That drowns my sorrows  
Reminding of the life that  
I should have  
I don't wanna waste  
Any more time  
I don't wanna lose  
This faith of mine  
Saved by the rain  
That will protect us  
Erasing all the lies that I ones had  
I don't wanna fake this anymore  
I just wanna open up this door  
To the sound of the rain

Try, trying to hard  
To get it right  
There can be no mistakes now  
Born, reborn again  
I will embrace the world

(chorus)  
Saved by the rain  
That drowns my sorrows  
Reminding of the life that

I should have  
I don't wanna waste  
Any more time  
I don't wanna lose  
This faith of mine  
Saved by the rain  
That will protect us  
Erasing all the lies that I ones had  
I don't wanna fake this anymore  
I just wanna open up this door  
To the sound of the rain

The rain is pouring down on me  
Washes my world and let me see  
A life beyond all pain and misery  
The rain is hiding all my tears  
Washes away all of my fears  
I know that I will be...

(chorus)  
Saved by the rain  
That drowns my sorrow  
Reminding of the life that  
I should have  
I don't wanna waste  
Any more time  
I don't wanna lose  
This faith of mine  
Saved by the rain  
That will protect us  
Erasing all the lies that I ones had  
I don't wanna fake this anymore  
I just wanna open up this door  
To the sound of the rain
