Would you remember your friends, not only your girl,  
would you remember your words and all your values,  
would you remember the friends before her,  
and the one who'll be there after,

Maybe I'm wrong, maybe your right  
Maybe you should go have some fun tonight without  
me.  
cause you forgot to call.

(nana, nana, nananaaaa) Ooooh I, I'll be there for you,  
(nana, nana, nananaaaa) Ooooh I, I'll be there for you,  
(nana, nana, nananaaaa) Ooooh I' I'll be there for you,  
(nana, nana, nananaaaa) Ooooh I' I'll be there for you,  
I'll be there for you.

Do you remember the time, do you remember the  
place,  
Do you remember her face and how she said goodbye,  
We went around in another town your head was  
spinning round and round  
You looked at her, she looked away, well what the hell  
were you to say  
She's gone, and she's not gonna call.

(nana, nana, nananaaaa) Ooooh I, I'll be there for you,  
(nana, nana, nananaaaa) Ooooh I, I'll be there for you,  
(nana, nana, nananaaaa) Ooooh I' I'll be there for you,  
(nana, nana, nananaaaa) Ooooh I' I'll be there for you,  
I'll be there for you.

And now she's gone, and I'm still here, but thoug you  
held her dearly,  
you moved on, you're still alive, that was hardly your  
demise,  
Now she's gone and I'm still here,  
You see clear, and I, and I, and I, and I, and I.

(nanana, nanana, nananaaaa) ooh ooh ooh oooooooh  
(nanana, nanana)  
(nanana, nanana, nananaaaa) ooh ooh ooh, ooh ooh

ooh  
(nana, nana, nananaaaa)

It's ok, in a place.
