I'm not giving up my time thinking
About how I hate everyone, everything
I can't believe I let it get this far
I'm letting go

I'm holding on to what you did last weekend
I know you meant every word you said to me then
You know, you know I really can't stand you
(Honestly, honestly, I can't)
When it's bringing me down
So I must let go
(When it's bringing me down I can't sleep)

I'm not giving up my time thinking
About how I hate everyone, everything
I can't believe I let it get this far
I'm not giving up my time thinking
About how I hate everyone, everything
I can't believe I let it get this far
I'm letting go

You don't deserve the things that you've been given
And I'm amazed that no one has found out who you are
But you know, you know that it's not my call
(Honestly, honestly it's not my call)
And it's bringing me down so I must let go
(Honestly I must let go)

I'm not giving up my time thinking
About how I hate everyone, everything
I can't believe I let it get this far
I'm not giving up my time thinking
About how I hate everyone, everything
I can't believe I let it get this far
I'm letting go

I am giving up
All I hate
It's gone too far

Giving up my time thinking
About how I hate everyone, everything

I can't believe I let it get this far
I'm giving up my time thinking
About how I hate everyone, everything
I can't believe I let it get this
Can't believe I let myself go
(Giving up)
I was looking for ways to tear you apart
(How I hate)
This can't control me
(I can't believe)
If I could only just let it go
(I let it)
Get this far
