So here we are once again  
With the same plan  
Why cant it be that its just me  
This might be the end once and again  
I did alright but if tonight is the last time  
For everything I want to say to you

So were commin were comming  
And I see you and I see you  
And Im not sure Im not sure why  
That I never tired  
And I see you I see you  
Im not sure Im not sure why  
That I never tired

So now we sit three times through  
With nothing new  
Why cant it be welcome to see  
This might be the end once and again  
I feel alright but if tonight is that last time  
For everthing I want to say to you

So were commin were commin

And I see you and I see you  
And Im not sure Im not sure why  
That I never tired  
And I see you I see you  
Im not sre Im not sure why  
That I never tired  
Yea yea were goin this time

Because I see it in you I see it in me  
I see everyone so easily  
Depending on those around  
We'll be left here on the ground  
I see it in you I see it in me  
I see everyone so easily  
Depending on those around  
We'll be left here on the ground
