

Last Tuesday **"Why"**

Visit "[Why](#)" on MotoLyrics.com

Every time things go wrong for me
I start to question everything I believe
I just want to live my life
And escape all the pain and strife

Things go right and things fo wrong
Friends die and thet say so long
Why try you'll soon see why
It all works out for the best,
In the end

Why do I try?
Why do friends have to die?
Why am I there for you now?
Why do I care?
Life just isn't fair,
My God is there for you now,

Time flies by,
As I lose sight of everything,
The things that brought me here

Where to go,
what to do,
I'm confused,
feel abused,
And I am living in fear

Things go wrong and this go right
I recount my mistakes,lyin' in bed at night
Why try,
We'll soon see why,
It al works out for the best,
in the end

Why do I try?
Why do friends have to die?
Why am I there for you now?

Why do I care?
Life isn't just fair,
My God is there for you now

Why do I try,
when there's nothing I can do?
and Why do I try when there's nothing I can do?
and Why do I try?
