Supposedly, you know the way that I should be  
You've been keeping quiet, keeping quietly your  
thoughts away from me  
You're so sure of all the words I need to say  
Step off the stage, we'll talk about how you don't even  
know me anyway

Announce that I was wrong, I thought I did what I was  
told

Let it go, it's not the rule for everyone  
But you don't know me anyway, you don't even know  
me anyway  
Can't we talk, another time away from here  
But you don't know me anyway, you don't even know  
me anyway

Announce that I was wrong, I thought I did what I was  
told

You got me wrong, you got me wrong  
I'm not ashamed of anything my heart is how it has to  
be  
You got me wrong, you got me wrong  
And all of this misunderstanding come from you not  
understanding me

There's need for you, there's need for me, don't you  
agree?  
But you don't know me anyway, you don't even know  
me anyway  
And in the end, it's not between you and me  
But you don't know me anyway, but you don't even  
know me anyway

You got me wrong, you got me wrong  
I'm not ashamed of anything my heart is how it has to  
be  
You got me wrong, you got me wrong  
And all of this misunderstanding come from you not  
understanding me

Got me wrong, you got me wrong  
I'm not ashamed of anything my heart is how it has to  
be  
Got me wrong, you got me wrong  
All of this misunderstanding come from you not  
understanding me
