How could you think that I would let you
Sit there and waste away my dreams
How could you think that I would let you
I am bursting at the seams

When I find out my life is over
All of the roads mapped out and planned
I don't wanna look back and tell you
I just wasted away my sand

I'm not like you, need to find out who I am
I'll take any chance that I can

Wouldn't it be good to be a dreamer
Wouldn't it be good for just one day
Wouldn't it be nice to make me happy

It'll be alright
What are the chances that you'll make it
Wake up, it's all just a dream
Cause you're lookin' for some answers
And you're not as happy as you seem
I'm not like you, need to find out who I am
I'll take any chance that I can

Wouldn't it be good to be a dreamer
Wouldn't it be good for just one day
Wouldn't it be nice to make me happy
It'll be alright

Don't wanna be like you, when you're fake, It's wrong
And soon you'll find out that regrets don't belong

Wouldn't it be good to be a dreamer
Wouldn't it be good for just one day
Wouldn't it be nice to make me happy
It'll be alright

Wouldn't it be good to be a dreamer
Even if it was for just one day
This is my chance to make me happy
It'll be alright

So damn tonight
It'll be alright
