woke up in mourning
of the person that i was to become
i have cheapened
words have lost value
i am numb

i felt lonlier than a wreckage survivor
floating scared and alone in the sea
left only with only his thoughts
his thoughts to keep him company

you said you wouldn't lie
i'm looking for reason
you said you wouldn't lie
something to believe in
you said you wouldn't lie
yet i have been shamed by your dishonesty

attempts have been valiant
at proving your worth to you and i
you have not learned yet your worth is measured by
what's inside

you said you wouldn't lie
i'm looking for reason
you said you wouldn't lie
something to believe in
you said you wouldn't lie
yet i have been shamed by your dishonesty

you said you wouldn't lie
values were deceiving
you said you wouldn't lie
so find some real meaning
you said you wouldn't lie
now that you're naked, scarred, and alone

cause you'll find truth in this
i'm not new to this
i'm not new to this
no i'm not new to this

you said you wouldn't lie
i'm looking for reason
you said you wouldn't lie
something to believe in
you said you wouldn't lie
yet i have been shamed by your dishonesty

you said you wouldn't lie
values were deceiving
you said you wouldn't lie
so find some real meaning
you said you wouldn't lie
now that you're naked, scarred, and alone
