Hold on to me cause ive been dreaming about  
All the time i spent here on my own  
Over and over  
Again im left here waiting  
Dreaming that you're somehow missing me  
Lets stay at home tonight  
Just hold onto me  
Even though things don't seem right  
Just hold onto me  
Last time we spoke i felt my heart break in two  
Everything i say and do  
Makes no difference  
Again im left here waiting  
Dreaming that your somehow missing me  
Lets stay at home tonight

Just hold onto me  
Even though things don't seem right  
Just hold onto me  
Im thinkning about what i once said  
And all it meant  
Im thinking about what you once said  
And all it meant  
These three words left me reeling  
Im still here somehow missing me  
Lets stay at home tonight  
Just hold onto me  
Even though things don't seem right  
Just hold onto me  
Hold onto me, hold onto me, hold onto me.
