Why dont we step outside,  
And change our view.  
We dont see eye to eye,  
Sometimes its true.

Good times will come around,  
When we follow through.  
I just want to share a smile with a friend like you.

A friend like you (5 times)

No use in spliting up,  
We're on a team.  
Lets just go win the game,  
One for you and me.

We might just find a way,  
To a better day.  
When all our worries and our troubles melt away.

Melt away (5 times)
