It's all for nothing  
The love we see  
A broken offering  
A sad old dream

So what it used to be  
Is not enough  
It's all for nothing  
If we give up

When I think of all the dreams we used to share  
All the days, all the nights when you were there  
All my words upon the lines, you used to keep  
When I think of all the promises; it cuts so deep

It's all for nothing  
The love we see  
A broken offering  
A sad, old dream

So what it used to be  
Is not enough  
It's all for nothing  
If we give up

Is it crazy if we ran away from here  
Tell me what good can I take from all my tears  
Tell me baby cause i know you feel the same  
It's crazy that we came this far and now we can't stay

It's all for nothing  
The love we see  
A broken offering  
A sad old dream

So what it used to be  
Is not enough  
It's all for nothing  
If we give up

What is used to be  
Is not enough

It's all for nothing  
If we give up

All for nothing  
If we give up
