Here we are  
Finally together  
Holding close  
Never release this feeling  
This moment  
My dream is now  
Loving you

'Cause your beautiful  
Something in your eyes  
Tells me I have found  
Love that never dies  
I don't have to dream  
Reality is beautiful in you...  
I've never felt more true

There you are  
Finally the answer  
Take my hand  
Never release  
The sweetness  
The magic  
The happiness  
I found in you

Cause you're beautiful  
Something in your eyes  
Tells me I have found  
Love that never dies  
I don't have to dream  
Reality is beautiful in you...  
I've never felt more true

Here we are...

Cause you're beautiful  
Something in your eyes  
Tells me I have found  
Love that never dies  
I don't have to dream  
Reality is beautiful in you...

Cause you're beautiful

I've never felt more true...

Beautiful...
