Another day has come and gone  
And I've been holding in  
Not holding on

Feeling out of place, I  
I'm wanting to escape, I  
I pack my bags  
With nothing left to say

To say

It's when I think I've figured out  
The figure's simply turning  
Inside out

Burn before it catches, I  
I rummage through the ashes, I  
I turn the page  
With nothing left to say

To say  
To say

Another day has come and gone  
And I've been holding in  
Not holding on
