If I had another chance tonight  
I'll try to tell you that the things we had were right  
If I had another chance tonight  
I'll try to tell you that the things we had were right

If this is right  
It will last  
All that I need is one more chance

If I had another chance tonight  
I'll try to tell you that the things we had were right  
If I had another chance tonight  
I'll try to tell you that the things we had were right

If this is right it will last  
All that I need is one more chance

Please lets make this moment last  
I know that I'm moving too fast

If I had another chance tonight  
I'll try to tell you that the things we had were right

If I had another chance tonight  
I'll try to tell you that the things we had were right

If I had another chance tonight  
If I had another chance tonight  
If I had another chance tonight  
If I had another chance tonight

If this is right it will last  
All that I need is one more chance

Please lets make this moment last  
I know that I'm moving too fast

If I had another chance tonight  
If I had another chance tonight  
If I had another chance tonight  
If I had another chance tonight
