The enemy are the future
The future
Enemy enemy enemy.
Easy life is it an easy life?
No It's a hard life
Enemy enemy enemy.
Easy life is it an easy life?
No It's HARD

Until you die
This life is worth more than you can give
And you only get one chance to live

Easy life is it an easy life?

This life is worth more than you can give
And you only get one chance to live

Easy life is it an easy life?
No It's a hard life
Easy life is it an easy life?
