We have all been wasting our time
For sunlight
There's only so much we'll take
Far from the only live brown ocean (?)

She was only biding her time
Falling down
Working 9 to 5 in her store
Wasting ti-i-i-meeee
Laugh

There's only so much we'll take
Far from the only live brown ocean (?)

Find yourself a new boy (x2)
Find yourself a new boy, boy
Find yourself a new boy

(Undistinguishable)
Holding hands (undistinguishable)
Woah oo yeah
(Undistinguishable)
Holding hands (undistinguishable)

So put your hands on your waistline
And move you body to the bassline
And get your hands on some cheap wine
And get out, a get out and get the motherfucking...
So put your hands on your waistline
And move you body to the bassline
And get your hands on some cheap wine
And just-a move it 'til you feel fine.

(Undistinguishable)
Holding hands (undistinguishable) (x2)

So put your hands on your waistline
And move you body to the bassline
And get your hands on some cheap wine
And get out, a get out and get the motherfucking...
(Undistinguishable)

With the boys and the beasts to feed the five streets (?)
(Undistinguishable)

Ooooh ooh ooh
Oh! Oh! Oh! Ohhh!
