

## **Late Of The Pier**

# **"The Enemy Are The Future"**

Visit "[The Enemy Are The Future](#)" on MotoLyrics.com

The enemy are the future  
The future  
Enemy enemy enemy.  
Easy life is it an easy life?  
No It's a hard life  
Enemy enemy enemy.  
Easy life is it an easy life?  
No It's HARD

Until you die  
This life is worth more than you can give  
And you only get one chance to live

Easy life is it an easy life?

This life is worth more than you can give  
And you only get one chance to live

Easy life is it an easy life?  
No It's a hard life  
Easy life is it an easy life?
