### Intro.

It's ok cause I can't breathe, don't you want this  
anymore?  
It's ok I'm suffering and your breaking me down

### Verse 1

I don't really want to fight, it always seems to last all  
night  
And I really need my sleep, cause it's not worth the  
things I've seen  
I can't relieve all this pain, it always seems to last all  
day  
All I want is peace of mind and a place to run and hide

### Chorus 1

It's ok cause I can't breathe, don't you want this  
anymore?  
It's ok I'm suffering and your breaking me down

### Verse 2

Can't be part of this old dream, have to walk from this  
machine  
All the things you made me feel, seem to have lost all  
there appeal  
If I can't turn and walk away you might not live another  
day  
I need to gain some self control before you're face  
down in a hole  
I really love the way you look tonight, with your black  
eye and the candlelight

### Chorus 2

It's ok cause I can't breathe, don't you want this  
anymore?  
It's ok I'm suffering and your breaking me down

### Bridge 1

Wan to read your mind, seems you left it far behind  
If I release all my pain, the past six months have been  
in vane  
Girl your wasting all my time, girl your wasting all my  
time, girl your wasting

All my time, your wasting all my... time!

Chorus 3

It's ok cause I can't breathe, don't you want this  
anymore?

It's ok I'm suffering and your breaking me down

It's ok cause I can't breathe, don't you want this  
anymore?

It's ok I'm suffering and your breaking me down
