### Intro

Let the wind carry  
I'm so lost help me  
I can't see what's in front of me  
Have to say, you can't save me

Verse 1 I've watched you throw your life away  
For the past nine months this charade  
And I sat back never said a word  
Now it's killing me inside  
Watching everything you worked for flushing down the  
drain  
Down let the pills you take today force a life in vane  
Can't you see I'm running away

Chorus1 Let the wind carry  
I'm so lost help me  
I can't see what's in front of me  
Have to say, you can't save me

Verse 2 Been down this road once before my friend  
It almost led to my death  
I remember when you put the gun against your head  
with a final breath  
When this way didn't work I remember those tears you  
shed  
Thanking God for a second chance, I vow not to waste  
again  
Can't you see I'm running  
away.

Chorus2 Let the wind carry  
I'm so lost help me  
I can't see what's in front of me  
Have to say, you can't save me

Chorus 3 Can't you see I'm running  
away.  
Let the wind carry  
I'm so lost help me  
I can't see what's in front of me  
Have to say, you can't save me
