[Verse 1]

He said hello
And asked her name

She said hey
Are you thinking
Of starting this game

She's playing it cool
She hopes he's just
Another fool

[Bridge]

So light me up
You can't run

[Chorus 1]

Lies from the start
He'll never catch on
She's playing her part
But still life goes on

[Verse 2]

She kept going
He's still falling

She lit him up
Fell into her trap
And now its sprung
He's in deep
Doesn't know
That he's done

[Bridge]

So light me up
You can't run

[Chorus 2]

Lies from the start
He'll never catch on
She's playing her part
She got what she wanted

Now he's crushed
She think she's won
But he's just begun
He's just begun
But life goes on

Life goes on

[Repeat chorus 2x]

Life goes on
Life goes on
