(Intro)

How I feel about you 's been a secret  
(I kept it to myself til tonight)  
But I can't keep it to myself no more

(Verse)

Now we know that it's love  
I feel that we should  
The time is right for me and you  
No girl, there's no risk  
There's only the possibilities are endless

(Bridge)

I know I love, uh baby let me count the ways  
And we've been down either way how I feel won't  
change

(Interlude)

So question me  
How many years we've been free? Oh baby girl I done  
lost count  
Don't be scared, I ain't going nowhere

(Chorus)

Don't be scared, it will mess things up  
Really could have best friends tomorrow  
We'll keep getting closer, we'll keep getting closer  
Don't be scared, like the one we vowed  
I love you more girl than you know  
We'll keep getting closer, we'll keep getting closer

Oh oh oh oh oh oh oh closer

(Verse)

You asked if I was sure  
And I said girl of course  
You're everything I want  
Everything I adore  
Our years as friends, it shows me more  
And never we connect, done that what most peoples  
will never know

(Bridge)

I know I love, uh baby let me count the ways  
And we've been down either way how I feel won't  
change

(Chorus)

Don't be scared, it will mess things up  
Really could have best friends tomorrow  
We'll keep getting closer, we'll keep getting closer  
Don't be scared, like the one we vowed  
I love you more girl than you know  
We'll keep getting closer, we'll keep getting closer

Oh oh oh oh oh oh oh closer  
We'll keep on getting closer girl, closer girl  
Oh oh oh oh oh oh oh closer  
We'll keep on getting closer girl, closer girl

(Chorus)

Don't be scared, it will mess things up  
Really could have best friends tomorrow  
We'll keep getting closer, we'll keep getting closer  
Don't be scared, like the one we vowed  
I love you more girl than you know  
We'll keep getting closer, we'll keep getting closer

Closer

We'll keep getting closer yea

(Outro)

How I feel about you 's been a secret  
(I kept it to myself til tonight)  
But I can't keep it to myself no more
