Might be some few errors but here it is

Baby  
We spent some time apart, You Know?  
Ain't even making communicating in the day  
And for real what for?  
(All I want is you, hope you feel it to)  
It was us when you were saying, Baby Don't abandon  
me  
Must have lost my mind.  
Woke up and it hit me hard

(Damn I'm Trippin)

I've been feeling crazy  
Here lately  
Cause you ain't with me  
We've been seperated  
And I be damned if I end up like  
Some people I see  
(I, I hear them saying)  
I wish I hadn't, shouldn't let her go.  
I can't stand to end up like them  
I must admit, your one I need  
I don't wanna be one of those people

Listen.  
What I did was wrong  
And I recognized to myself  
Why we broke up  
It was no reason  
Cause you a dime  
You could finally got  
Getting wanna get even  
(I was trippin so bad)  
I'm feeling it  
(So many regrets)  
So many regrets  
The walls been written on  
Girl, I get played on tryna act hard

I've been feeling crazy

Here lately  
Cause you ain't with me  
We've been seperated  
And I be damned if I end up like  
Some people I see  
(I, I hear them saying)  
I wish I hadn't, shouldn't let her go.  
I can't stand to end up like them  
I must admit, your one I need  
I don't wanna be one of those people

And I don't wanna be  
55 in the club still looking  
Before it's too late for me  
I'm a give this shorty all mine  
Cause what you got is, my heart  
I wanna make it right with you  
O baby, I know, it's loving you

I've been feeling crazy  
Here lately  
Cause you ain't with me (Woah Woah)  
We've been seperated  
And I be damned if I end up like  
Some people I see  
(I, I hear them saying)  
I wish I hadn't, shouldn't let her go.(Oo Ohh)  
I can't stand to end up like them  
I must admit, your one I need (Oh)  
I don't wanna be one of those people

I've been feeling crazy  
Here lately (Baby Yeah)  
Cause you ain't (Baby Yeah) with me  
We've been seperated  
And I be damned if I end up like  
Some people I see  
(I, I hear them saying)  
I wish I hadn't, shouldn't let her go.(Shouldn't let her  
go)  
I can't stand to end up like them (Noo)  
I must admit, your one I need  
I don't wanna be one of those people

I, I, I don't wanna be one of those people
