Hold up, what's up, why you got a nigga?  
Wanna get with someone come on  
Hold up, what's up, why you got me  
Backed up on the ropes?

Is it Prada or Gucci, jeans on yo booty?  
You look like a star straight out of a movie  
I just really think it's wicked how you move your body  
sicken  
I ain't really sho with it I'm tryna slide up and meet you  
You got me, wanna take you home

I'm in the pearl x five sittin' right outside  
Tell me, are you here alone?  
I can tell that you're with it  
If you give it, I can get it come on

Girl, you got it all sold up, body bangin' like wha  
I just gotta give it up  
Girl, you got it all sold up, I'm just sayin' what's up?  
Can we get in this club?

Girl, you got it all sold up, body bangin' like wha  
I just gotta give it up  
Girl, you got it all sold up, I'm just sayin' what's up?  
Can we get in this club?

Lemme see you shake it  
I know it's hot and naked  
Girl, don't make me take it  
Come here

Lemme know just what you sippin'  
I'll make sure you'll be gettin' in  
'Cuz if you get tipsy then I know  
What the evenin' looks like, won't

Take it easy dear, I don't want you to pass out  
'Til you get home to my house  
Then we can both just pass out  
Tell just what you want

Wanna dip but you're shy  
I can see it in your eyes say girl  
Won't hurt you, no  
Girl, you're likin' what you see  
And I'm likin' what I see, so come on

Girl, you got it all sold up, body bangin' like wha  
I just gotta give it up  
Girl, you got it all sold up, I'm just sayin' what's up?  
Can we get in this club?

Girl, you got it all sold up body bangin' like wha  
I just gotta give it up  
Girl, you got it all sold up, I'm just sayin' what's up?  
Can we get in this club?

Ooh girl, you're makin' me want cha  
Ooh girl, you're makin' me want cha  
Ooh girl, you're makin' me want cha  
Ooh girl, you're makin' me want cha

Girl, you got it all sold up, body bangin' like wha  
I just gotta give it up  
Girl, you got it all sold up, I'm just sayin' what's up?  
Can we get in this club?

Girl, you got it all sold up, body bangin' like wha  
I just gotta give it up  
Girl, you got it all sold up, I'm just sayin' what's up?  
Can we get in this club?
