Oooh, yeah  
Come on to the dance floor with me  
Walk me to the dance floor  
Come out to the dance floor, yeah

Girl right now, now where I wanna be  
Not at the club later maybe till three  
I gotta come home, got a taste for somethin sweet  
When it comes to makin love you got the recipe  
You sprinkle a little this, and a little bit of that  
You got the kinda of love that makes a brother come  
back  
So throw your cares to the wind baby  
Cuz tonight is your night  
Oh baby

Tonight it's gonna be so heavenly  
Tonight I'm gonna do things differently  
I'm gonna come home and take care of you  
And do the special things that lovers do  
Girl it's gonna be so heavenly  
Tonight I'm gonna do things differently  
I'm gonna come home and take care of you  
And do the special things that lovers do  
Well, well, well

Shhh  
Come on to the dance floor with me  
Walk me to the dance floor, darling  
Come out to the dance floor, oooh

As I drive home I can hear my mind race  
Wondering what the heck I was thinking in the first  
place  
Rollin late night chillin with my friends  
Knowing all along with you is where I should've been  
If it's not too late baby girl I'm comin there  
I can't wait to get some of your lovin  
I'm sorry I made you wait for me  
So tonight I'm gonna make it so heavenly

Girl it's gonna be so heavenly

Tonight I'm gonna do things differently  
I'm gonna come home and take care of you

And do the special things that lovers do  
Girl it's gonna be so heavenly  
Tonight I'm gonna do things differently  
I'm gonna come home and take care of you  
And do the special things that lovers do  
Yeah, yeah, yeah

Listen baby yeah  
I feel like it's raining  
Desire is breaking down on me  
I wish I'd've stayed in  
I shoulda stayed home with you baby  
So I'm comin home now, ohhh  
So leave the lights on  
Girl this is our song, baby  
Tonight it's gonna be so, ohh, baby

Girl it's gonna be so heavenly  
Tonight I'm gonna do things differently  
I'm gonna come home and take care of you  
And do the special things that lovers do  
Girl it's gonna be so heavenly  
Tonight I'm gonna do things differently  
I'm gonna come home and take care of you  
And do the special things that lovers do  
Yeah, yeah, yeah

Girl it's gonna be so heavenly  
Tonight I'm gonna do things differently  
I'm gonna come home and take care of you  
And do the special things that lovers do  
Girl it's gonna be so heavenly  
Tonight I'm gonna do things differently  
I'm gonna come home and take care of you  
And do the special things that lovers do  
Yeah, yeah, yeah

Ooh, baby  
Na na na  
Yeah, yeah, yeah  
Ohh  
Yeah, yeah, yeah  
Baby  
Ohh  
Yeah, yeah, yeah  
Heavenly  
Heavenly, so sweet like this melody  
La la la la la la la
