Baby, you know you mean the world to me
That's why I can't keep you in this situation
Where I can hurt you
Can I talk to you? Okay

First of all, I wanna tell you that all I do is have love for
you
No matter we go separate ways I still ride for you
'Cause you're the truth can't be replaced
You the type of girl that make a nigga go out and get
the ring

But the problem is I'm not positive
That I can give tha commitment that you're asking for
'Cause right now I'm young and know you're the one
I can't guarantee that I could be the one you want

You want someone who is faithful
I'm not admittin' I can't do it just don't wanna put you
through it
If I may happen to see one
She may holla, I may holla but I wouldn't wanna do that
to you, no

Girl, I feel that I'll be cheating you if I continue to see
you
'Cause you're ready to get serious I'm not 'cause I'm
still curious
See I'd rather keep it real and tell you how I feel
'Cause I think you're beautiful and I don't wanna hurt
you, no

Girl, I feel that I'll be cheating you if I continue to see
you
'Cause you're ready to get serious I'm not 'cause I'm
still curious
See I'd rather keep it real and tell you how I feel
'Cause I think you're beautiful and I don't wanna hurt
you, no

See over and over again I keep on sayin' to myself
I must be goin' out my mind to not wanna spend all my

time with her

'Cause I love you more, than to game your heart
'Cause I know that I'm not ready to lock it down full time
Settle down with one dime, spend the rest of my life
with you

It's betta cry now than to hate me later
Trust me I've had a broken heart before and I
I know just how it feels and know in time it will
In time it will reveal if our love is real, oh

Girl, I feel that I'll be cheating you if I continue to see
you
'Cause you're ready to get serious I'm not 'cause I'm
still curious
See I'd rather keep it real and tell you how I feel
'Cause I think you're beautiful and I don't wanna hurt
you, no

Girl I feel that I'll be cheating you if I continue to see
you
'Cause you're ready to get serious I'm not 'cause I'm
still curious
See I'd rather keep it real and tell you how I feel
'Cause I think you're beautiful and I don't wanna hurt
you, no

Trust me girl, I neva wanted to, I neva wanted to hurt
you
Trust me girl, I neva wanted to, I neva wanted to hurt
you
No, no, no, I said no, no, no, no, no
No, whoa, whoa, whoa, whoa, no, yeah

Girl, I feel that I'll be cheating you if I continue to see
you
'Cause you're ready to get serious I'm not 'cause I'm
still curious
See I'm tryna keep it real and tell you how I feel
'Cause I think you're beautiful and I don't wanna hurt
you, no

Girl I feel that I'll be cheating you if I continue to see
you
'Cause you're ready to get serious I'm not 'cause I'm
still curious
See I'd rather keep it real and tell you how I feel
'Cause I think you're beautiful and I don't wanna hurt
you, no

Girl, I feel that I'll be cheating you if I continue to see

you
'Cause you're ready to get serious I'm not 'cause I'm
still curious
If I, if I do baby, don't tell you the truth
It'll hurt you later, later, oh girl

Girl, I feel that I'll be cheating you if I continue to see
you
'Cause you're ready to get serious I'm not 'cause I'm
still curious

Ohh, yeah
No, no, no, I said no, no, no, no, no
No, no, no, I said no, no, no, no, no
No
