Baby, you know you mean the world to me.
That's why I can't keep you in this situation,
Where I can hurt you. Can I talk to you?
Okay..

Verse 1

First of all, I wanna tell you
That all I do is have love for you (love for you)
No matta we go seperate ways
I still ride for you (still ride for you)
Cause your the truth (cause your the truth)
Can't be replaced (can't be replaced)
You the type of girl that make a nigga go out
And get the ring, but the problem is,
I'm not positive that i can give tha commitment
That your asking for, cause right now I'm young
And know your the one, I can't guarantee
That i could be the one you want

You want someone who is faithful,
I'm not admittin I can't do it
Just dont wanna put you through it
If I may happen to see one, she may holla
I may holla but I wouldn't wanna do that to you No

Chorus

Girl I feel that I'll be cheating you
If I continue to see you, cause your're ready to get
serious
I'm not cause I'm still curious, see I'd rather keep it real
And tell you how I feel, cause I think your beautiful
And I don't wanna hurt you no

Verse 2

See over and over again I keep on sayin to myself
I must be goin out my mind
To not wanna spend all my time with her,
Cause i love you more, than to game your heart,
Cause I know that I'm not ready
To lock it down full time, settle down with one dime,
Spend the rest of my life with you
It's betta cry now than to hate me later

Trust me I've had a broken heart before and I
I know just how it feels, and know it time it will
In time it will reveal, if our love is real ooh

Chorus 2x

Trust me girl, I neva wanted to, I neva wanted to hurt
you
Trust me girl, I neva wanted to, I neva wanted to hurt
you

No, no, no
I said no, no, no, no, no
No, whoa whoa whoa whoa
No, yeah

Chorus

Girl I feel that I'll be cheating you
If I continue to see you, cause your're ready to get
serious
I'm not cause I'm still curious, see I'm tryna keep it real
And tell you how I feel, cause I think your beautiful
And I don't wanna hurt you no

Girl I feel that I'll be cheating you
If I continue to see you, cause your're ready to get
serious
I'm not cause I'm still curious

If I, if I do baby, don't tell you the truth
It'll hurt you later, later, oh girl

Girl I feel that I'll be cheating you
If I continue to see you, cause your're ready to get
serious
I'm not cause I'm still curious
