Oh, yeah  
R. Les  
Da da da da da da  
N.S.  
Oh yeah  
Hm, huh  
Sing it, come on

Girl I trust you and all,  
But I've been here before you.  
You remind me of pain,  
But I can't ignore you.

After I met you girl,  
I tried my best not to think of you. (I tried)  
Such a silly game to play,  
To eventually just lose to you.

Can I get another chance to hold you tonight  
Last time I left left when things were so right  
Hold you girl with all of my might  
Just don't let you slip away  
I poured my heart out to you  
From now to daylight  
So you would know hurting you was never my right  
I'm trying to see what's in the cards left tonight  
So please except this as my plea...

I love you  
I love you  
I love you  
Hey Hey, so don't break my heart [verse x2]

I sat and waited for my chance,  
To let you know just how I feel.  
I held it in for far too long.  
I couldn't tell if this was real.

I never thought I'd understand,  
How it feels to be hurt and to love again.  
I guess it's possible for me,

That's why I let you in.

Can I get another chance to hold you tonight  
Last time I left left when things were so right  
Hold you girl with all of my might  
And I won't let you slip away  
I poured my heart out to you  
From now to daylight  
So you would know hurting you was never my right  
I'm trying to see what's in the closet tonight  
So please except this as my plea...

I love you  
I love you  
I love you  
Hey Hey, so don't break my heart [verse x2]

Like stars in the sky  
You were light of my life  
That's why I love you  
Just don't break my heart

Without you by my side  
I was wasting my time  
But now I love you  
Just don't break my heart

I love you  
I love you  
I love you  
Hey Hey, so don't break my heart [verse x2]
