This One That Everyone Jus Pass Up On
And It Aint Goin Down(And Then I Told Ya Yea)

[Break Down:]

Sometimes I Get It On The Side
But That Shit Was On My Mind
Had To Get That Dirt Up Off My Shoulder(Yea)
And Now This Shit Has Gone To Far
But I Knew It All Along

[Chorus:]

And Now It's Over Now
You Gonna See Another Side Of Me(Yeah)
Over Now
You Broke My Heart And Now This Is The Part When I
Leave You [X2]

You Seem So Quick To Forget
Back In The Day When We Met
I Used To Bring Home The Check
Just To Support You
I Used To Give You My All
But That Won't Happen No More
