[Intro]

Uh

Uh-uh

Can I tell you now?

Tell you now?

Yeah

[Verse 1]

Tell me

How could I not

Say how I feel?

(Met you girl, I seen a lot, baby)

I was gone

So enthralled

When we talked, yeah

(Knew it was a matter of time)

Ju-just a matter of time

Before

I could claim your love

Love that we earn and learn --

Love to birth love, more love, sure 'nough

One girl I got feelings for

And I'm never gonna let you go

I keep sayin'

To myself you're

[Bridge]

You're (You're)

The girl (Oh) of my dreams (Oh)

Where you been all my life? (My life)

See, baby, I want you more than anything

Anything (Whoa)

Anything

All (All)

The obvious sings

You're beautiful

Witcha girl

I'ma be winnin'

I know it's real, 'cause I ain't never been this sure

I want you more than anything, girl

[Chorus]

Anything, (Ohh) anything
Anything, (Smile) anything
Anything, (Smile) anything (For me, yeah)
I want you more than anything
Anything, (Ohh) anything
Anything, (Smile) anything
Anything, (Smile) anything (For me, yeah)
I want you more than anything, girl

[Verse 2]

It's deeper than the physical
Some nights we just kiss
(You just fall asleep in my arms)
And then you wake up early just to cook breakfast for
me
(Nothin' but my t-shirt on)
But then again I love when we love all night (Imagine
love)
And when you're born in love when you look
In my eyes (Touchin')
Your body's so
Wonderful
Beautiful
Soft
To the touch
You got my heart that's for sure
I gotta tell you girl, you're

[Bridge]

You're (You're)
The girl (Oh) of my dreams (Oh)
Where you been all my life? (My life)
See, baby, I want you more than anything
Anything (Whoa)(Whoa-whoa)
Anything
All (All)
The obvious (Oh) sings (Oh)
You're beautiful
Witcha girl
I'ma be winnin' (Yeah)
I know it's real, 'cause I ain't never been this sure
(Girl I want you more)
I want you more than anything, girl

[Chorus]

Anything, (Ohh) anything
Anything, (Smile) anything

Anything, (Smile) anything (In this whole world) (For me, yeah)

I want you more than anything

Anything, (Ohh) anything

Anything, (Smile) anything

Anything, (Smile)(Anything) anything

I want you more than anything, girl

[Verse 3]

Thought I was dreaming when I found you girl (You, girl)

I ain't tellin' lies, thought I had searched the whole world, said

What I got with you is a gold mine (Gold mine)

Truly hard to find (Hard to find)

'Cause you're (Uh)

One of a kind, (Yeah) baby

Your love is so special (Yeah, yeah, yeah)

Special (Top of the world)

And

Yes, I'll

Spend a lifetime (Oh)

With you girl (Girl)

[Bridge]

You're (You're)

The girl (Oh) of my dreams (Oh)

Where you been all my life?

(Where you been, baby?)

See, baby, I want you more than anything

Anything (Whoa)(Oh-whoa)

Anything

All (All)

The obvious (Oh) sings (Oh)

You're beautiful

Witcha girl (Witcha girl)

I'ma be winnin' (Winnin')

I know it's real (Real), 'cause I ain't never been this sure (Want you more)

I want you more than anything, girl

[Chorus]

Anything, (Ohh) anything (Anything)

Anything, (Smile) anything (Baby)

Anything, (Smile) anything (For me, yeah)

I want you more (Whoa, girl) than anything

Anything, (Ohh) anything

Anything, (Smile) (Smile, baby) anything

Anything, (Smile) anything

(Smile...)

[Outro]
I want you more
Than anything
Baby
Yeah...
Ooh...
Wha-nah-nah, nah nah-nah
Can I tell you?
Tell you now? Whoa...
