(Chorus)

I gots to get that
Just can't resist that
My sister's girlfriend
So dope, I know I shouldn't do it
But her girlfriend
Got me bout twisted
Shortie you're so gifted
No joke, so tempted to get it

(Verse 1)

I never seen her before
'cause on the normal
I wouldn't holla
But this girl was so dope (soo dope)
But my sister said no (Nooo)
I didn't care what she said
'cause I knew that
If I had a chance
I was gonna get with this chick
'cause I could not help it

(Hook)

(I know you're real cool friends) Girl I know that I want
you
(I never act like this) This is something I must do
('cause I can't resist) Don't listen to my sister say
(I wanna know what you're about) yeah
(Please can we spend) A moment or two girl
(So you can fill me in) With You
(We can start this weekend) Let me do what I do with
you

(Chorus)

I gots to get that
Just can't resist that
My sister's girlfriend
So dope, I know I shouldn't do it
But her girlfriend
Got me bout twisted
Shortie you're so gifted
No joke, so tempted to get it

(Verse 2)

I said now, now
Now I put myself out there
I need to know exactly where
Your mind is
And if you're thinkin like I'm thinkin
'cause I'm thinkin like if we're alone
Just once behind closed doors
I know it really would be on

(Hook)
