"Put Me On"

All I wanna do is make you dance right  
Another B. Cox joint, uh  
Oh, yeah, uh  
Uh-huh, 2003  
Latif  
Yeah  
Come on  
Yeah  
Come on  
Yeah  
Come on  
First verse, uhh

You're hotter than, all your friends  
Looking good, do your thing  
I couldn't pass ya, had to ask ya  
Did you get it from your mama  
I done a quite a few girls  
None could tie the shoes on you girl  
I'm not gaming so don't get me wrong  
There's something I think you should know

Are you the one  
You're just something I'm tryna get with tonight  
But I want  
Nothing serious, tell me are you feeling this  
I'll take you home  
Uh, huh, bet that shorty wanna ride with me  
So put me on, girl  
Put me on, ma

Hey, hey  
I know these fellas in the club  
Been sweatin you all damn night  
And baby  
The way you shake it on the floor  
Plus that dress fittin you so right  
Hey, hey  
So won't you give me a chance  
'cause I'm not thinking bout those other guys

So, slide your body next to mine  
Baby won't you put me on

We could shake the spot  
You and me  
This is where I'm tryna be  
This pool is callin, for your body  
Mixing Crissy, with Bacardi  
You can leave the keys with your friends  
Just come and take a ride in my Benz  
I'm not gaming so don't get me wrong  
There's something I think you should know

Are you the one  
Or are you just something I'm tryna get with tonight  
What I want  
Nothing serious, tell me are you feeling this  
I'll take you home  
Uh, huh, bet that shorty wanna ride with me, what  
So put me on, girl  
Put me on, ma

Hey, hey  
I know these fellas in the club  
Been sweatin you all damn night  
And baby  
The way you shake it on the floor  
Plus that dress fittin you so right  
Hey, hey  
So won't you give me a chance  
'cause I'm not thinking bout those other guys  
So, slide your body next to mine  
Baby won't you put me on

To the bridge

Can nobody where that dress like you  
Can't nobody do the things you do  
I'm not tryna get into you  
I'm just tryna get, ohhh  
Can't nobody do your body like me  
You know this is where you oughta be  
So, tell me baby  
Will you put me on

Yeah  
Ohhh  
Put me on girl  
Yeah  
Put me on girl  
Yeah, uhh

Uh, huh, B. Cox  
Latif, let's go

Hey, hey  
So won't you give me a chance  
'cause I'm not thinking bout those other guys  
So, slide your body next to mine  
Baby won't you put me on

Ohh, put me on girl  
Uh, 2003  
Come on  
Latif  
Uh, uh, yeah  
Yeah  
Uh, ha, ha, ha
