[Corey Williams]

Its obvious
you were made for me(made for me)
and believe it or not
but youre the girl of ma dreams
(girl of ma dreams)
only second to ma momma
then you comin, no drama girl
so calm, like the petal of a rose
thats why i chose you
girl you're so sweet
you make my life complete(life complete)
like a sentence wit a dot, dot
girl ur lovin dont stop, stop, stop
better yet, like a bright begin
and this cross around ma neck
one day you will
but i dont think that u know it yet

[chorus]

You think you know
but girl u dont have no idea
how u make me feel
girl when i kiss you
if you aint here
badly ill miss ya

you think you know
but girl you dont have no idea
girl cuz wat i found in you
is all i need

[corey williams][second verse]

Love and happiness
it goes hand and hand

{cant have one and not the other}
on your hand i put about a hundred grand
{my loves the rock that i bought ya}
so strong, in fact
only woman that i know truly got ma back
and cuz you show me that {cuz you show me that}
thats why i love you
and if tonight were the end
i would want you here wit me
cuz lookin in ur eyes
is the last thing i wanna see
this feels just like it did
when we first met
one day you will
but i know that u dont know it yet

[chorus and hook]
you think you know
but girl u dont have no idea
how u make me feel
girl when i kiss ya
if u aint here
badly ill miss ya

you think you know
but girl you dont have no idea
dont matter baby
dont matter if im rockin ma diamonds
if you aint here, girl they aint shinin

you think you know
but girl you dont have no idea
cuz im tryin to show you
how much i love you girl
i love you baby

you think you know
but girl you dont have no idea {u have no idea}
you dont know what i found in u
is all i need

[R-Les]
Listen girl,
I aint a man of a thousand words
but from the bread i make
even the crumbs attract a thousand birds
now you worried bout the way i live
cuz im gone and i try to make it up
by the way i give
now i realize jewels aint enough for you
cuz its confusin and tough for you

and money never comforts you
and its hard but you understand
we gotta live, thats why i hustle man
you say we neva get no time alone
and could i please
spend a lil more time at home
and i got you babe
you got alot to say
and ima stop cuttin u off
and listen more startin today baby
im for real
you dont know the half
cuz i dont give you enough
of the love you're supposed to have
but tonight baby, thats gon' change
i give you everything i have
just to get ur heart in exchange
im r-les

You think you know
but girl you dont have no idea

you think you know
but girl you dont have no idea

ooooooooohhh baby

but girl you dont have no idea
how much i love you

but girl you dont have no idea
how much i love you
