This is real  
This is how I feel baby  
Check it

She was the kind of girl that I wanted  
She was like my homie, my best friend  
If there was one girl perfect in this world  
It would have to be her  
She was the kind of girl that I needed  
She was off the chain and I mean it  
I swear that she was too good to be true  
But she love the ground I walk on  
In her eyes, I could do no wrong to her  
But somewhere along the lines, started feelin' myself  
And I got all into her  
But then one day I went too far, and didn't check  
myself  
And I ended up losin her  
But now I'm all by myself, and I can't help myself  
Wondering who's loving her

Who's loving her now  
Is he treatin' her right  
Is he keepin' her satisfied  
Who's touchin her now  
Is he givin her something she can feel  
Oh, I wanna know  
Who's loving her now  
Holdin' it down, turning her world all around  
Who gettin what I've been missin  
Who's givin her what I wasn't giving

Now I always said real niggas don't trip  
So I hopped in my whip, and jumped on the strip  
Cuz I knew if I really needed someone  
The girls are lining up  
I pick three and I go home  
But know matter how many I love  
I can't help but wonder if  
My girl's alone, can somebody tell me

Who's loving her now

Is he treatin' her right  
Is he keepin' her satisfied  
Who's touchin her now  
Is he givin her something she can feel  
I know I'm young but I wanna know  
Who's loving her now  
Holdin' it down, turning her world all around  
Who gettin what I've been missin  
Who's givin her what I wasn't giving

I was a playa and that was how I was living, yeah  
I know I was out there trickin baby

Taking but never givin lady  
So many girls will come and go  
But no one would ever come close to her  
Nobody compares

I ran into her sister the other day  
She said she moved out to L.A. to start again  
Said that she was doing fine, everything is alright  
Since she got away from me  
Now she was doin better  
And better than ever and never would she come back  
I said yeah, yeah I learned my lesson  
But will you please answer one question

Who's loving her now  
Is he treatin' her right  
(Is he treatin her right)  
Is he keepin' her satisfied  
(Lovin her now)  
Who's touchin her now  
Is he givin her something she can feel  
(Feelin on my baby)  
Oh, I wanna know  
Who's loving her now  
Holdin' it down, turning her world all around  
(Oh my lady)  
Who gettin what I've been missin  
Who's givin her what I wasn't giving

Who's loving her now  
Is he treatin' her right  
Is he keepin' her satisfied  
Who's touchin her now  
I wonder  
Who's loving her now  
Holdin' it down, turning her world all around  
Who gettin what I've been missin  
Who's givin her what I wasn't giving

Who's loving her now  
(Who's loving her)  
Who's touchin her now  
(Who's touching my baby, drivin me crazy, touchin my  
baby)  
I wonder who's lovin her now  
Holdin it down, turning her world all around  
Who's gettin what I've been missing  
Who's giving her what I wasn't giving  
(I need to know, I need to know now)

Who's loving her now  
Is he treatin' her right  
Is he keepin' her satisfied  
Who's touchin her now  
Is he givin her something she can feel  
I know I'm young but I wanna know  
Who's loving her now
