I remember that day  
You told me that your mamma was taking you away  
Daddy put her through some drama, tears came to my  
eyes  
Really didn't wanna cry, but it hurt so bad on the inside

Tell me how can this be that you're not here with me  
And I can't do nothin' 'bout it, I'm only nineteen  
Since the day you left me lonely  
My life hasn't been the same

Nothin' but cloudy days  
(Without you)  
My sunshine turned to rain  
(Without you)

My life is not the same  
(Without you)  
Just heartache and pain  
(Without you)

Everything I do  
(Is for you)  
And every word I say  
(Is true)  
My mission on this Earth is to please you  
Anything you say I'll do, can't live without you

Now you're in another state, I'm writing you this letter  
With a picture in a frame, lying on the dresser  
Baby, come home to me, it's your arms that I need  
Need your kissin' and your huggin', rubbin' and your  
touchin'  
Girl, I need your lovin', 'cuz my body's callin' you

Nothin' but cloudy days  
(Without you)  
My sunshine turned to rain  
(Without you)

My life is not the same  
(Without you)

Just heartache and pain  
(Without you)

Everything I do  
(Is for you)  
And every word I say  
(Is true)  
My mission on this Earth is to please you  
Anything you say I'll do, can't live without you

I'm talkin' 'bout your warm embrace  
I'm talkin' 'bout your pretty face  
Oh, how your kisses taste  
(How your kisses taste)

Missin' her touch  
I'm talkin' 'bout my baby girl  
She used to be my whole world  
But now she's not here, what am I to do

Nothin but cloudy days  
(Without you)  
My sunshine turned to rain  
(Without you)

My life is not the same  
(Without you)  
Just heartache and pain  
(Without you)

Everything I do  
(Is for you)  
And every word I say  
(Is true)  
My mission on this Earth is to be with you  
Tell me what am I to do

I remember that day  
You told me that your mamma was taking you away  
That he put her through some drama  
Tears came to my eyes, really didn't wanna cry  
Sing it again, sing it again

I remember that day  
You told me that your mamma was taking you away  
That he put her through some drama  
Tears came to my eyes, really didn't wanna cry

Nothin' but cloudy days  
(Without you)  
My sunshine turned to rain

(Without you)

My life is not the same  
(Without you)  
Just heartache and pain  
(Without you)

Everything I do  
(Is for you)  
And every word I say  
(Is true)  
My mission on this Earth is to please you  
Anything you say I'll do, can't live without you
