I got a Daddy with the first name Suga
Sprinklin me with game, no I'm down for my booga
It's not a matter if you can catch a man it's can you
keep a man
And keep on payin for the land
Daddy don't mind comin out the pocket
He aah, pleases my clit and he know how to rock it, ugh
He's hella down for his grippin, I can't train him
I'm lovin every man and others don't deserve this
You know that baller lean, that loves them sloppy scene
When back in the day he used to beat down dope
fiends
Alias OG, original, he keeps his mug on me
And he's gotta straight extra nap and he keeps a fat
sack
So aah, Daddy do that do that, doodoo dat dat dat ooh
Ladies can you feel me? I got my Daddy's back
like Bonnie & Clyde and you know that

Ladies can you feel me? You got yor Daddy's back?
(WHERE THEY AT? WHERE THEY AT WHERE THEY AT??)
And you know that
I know y'all can feel me, I got my Daddy's back
(WHERE THEY AT? WHERE THEY AT WHERE THEY AT??)
Now ladies over here, do you got your Daddy's back?
(WHERE THEY AT? WHERE THEY AT WHERE THEY AT??)
Cos Daddy's hella down and he keeps a fat sack

The mackin don't stop until the bridge drop
So ahh, don't player hate just, give him his props
You gotta mind somebody
and I ain't gotta problem with mindin my Suga Daddy
United we stand and together we fall
with the scratch and ball, we can all stand tall
Rockin, rollin, skatin and bouncin
I kill my ?lake and cloud? like it ain't no stoppin
My Daddy just called me and threw me a bird
A straight hustler, constantly puttin in work
Yeah much love to them BMW's
Black Man Working, they don't mind takin care of you

Treatin me like a queen cos I serves him like a king
You know what I mean?
I know y'all can feel me
One love to them Suga Daddies, ugh

Ladies can you feel me? You got yor Daddy's back?
(WHERE THEY AT? WHERE THEY AT WHERE THEY AT??)
I know y'all can feel me, I got my Daddy's back

I give my Daddy props cos he's aah, show stoppin
Worldwide gangsta in a gang of proppin
Down to drop his top, comin with some major plots
I got his back and he got mine and it means a lot
And when he swang his thang he says
"Suga, I love you, man", it's way cool
Bump with me, and ride to this beat
and get a dose of this Suga Daddy

They be hella poppin, do you got yor Daddy's back?
(WHERE THEY AT? WHERE THEY AT WHERE THEY AT??)
Always down to ride, do you got your Daddy's back?

(WHERE THEY AT? WHERE THEY AT WHERE THEY AT??)
