Blood clot...

Yo what I'm about to do
Is explain how the elements came together
Formed the Disciples and the Sunz of Man

[Shabazz The Disciple]
I was chained, and thrown in the tombs
With 85 people in a long dark room
Christ appeared with a robe and a beard
We had a deep conversation, and then he disappeared
He told me I was chosen to be one of his Disciples
I must find a certain man to complete the cycle
He told me he shall dwell on the house on fire
So they I dwellin, and they I met Messiah
The Killah Priest, The Iron Sheik from the Middle East
My raps cause torment, lay dormant in the beat

Outro: Killah Priest

So let's now open up the scrolls
And let's jot down the names of each apostle
