Oh oh oh

Latrelle, Neptunes, Star Trek, Star Trek

Uh, Uh, Come, My Life, um, um

Oh Ohhhh

It's like when a bad rain comes and

theres no comparison, that when your life has lost the
screws that hold your heart, they fall apart

All the bad news is the truth and theres nothing you can
do

You find out your alone, and theres no one but you,
you, you, you

I wanna get away sometimes

So sick of seeing these dimes

Can't get it outta my mind

My life, My life

I wanna get away sometimes (sometimes ,sometimes)

So sick of seeing these dimes

Can't get it outta my mind

My life, My life

Talk about being lonely

Only he can hold me

To restore my heart and soul

Whats been deprived, call it life

Then I spend many hard long days

Tryin solutions in your ways

Find out your all wrong

And theres no one but me, me ,me, me

I wanna get away sometimes

So sick of seeing these dimes

Can't get it outta my mind

My life, My life

I wanna get away sometimes (sometimes, sometimes)

So sick of seeing these dimes (these dimes)

Can't get it outta my mind

My life, My life

(My life)I wanna get away sometimes
