Girl when we first started we were spending all our  
time together in love  
now we're growing on and you're afraid of loosing me,  
don't be  
I've got a heart full of love even though I might not  
show it  
Girl it's you I dream of and just so you  
know it  
You have my attention, anything you need at all  
I'll be there when you call me

Chorus:

I've got things on my mind, takin' my time, but I'm  
I'm not too busy for you, I'm not too busy  
If you're feeling along, just pick up the phone, girl I'm  
I'm not too bush for you, I'm not too busy  
We used to dream that one day we'd have everything  
we want  
But now that things are movin', I hope that  
we don't move apart  
You still have my heart  
I've got so muct to do, but girl it doesn't  
matter  
But when it comes down to you I can't  
think of nothing better  
Everytime I'm stressin, I find that it's a  
blessin to  
to be hearin from you

Chorus
