"By His Grace"

Like footprints in the sand on the beach of my life
I can see that my God has been faithful and true
When I was young, I didn't know for sure
Who was God? Did He want me at all?

Grace - Never letting go, never losing grip
By his grace - The sacrifice of love concerns you too
Elvis had his Graceland, well I sure have mine too
Plenty of rooms and a King alive and well...
I know there's a word that stands for love,
Mercy and forgiveness for us to hear and keep
