CHORUS:

Dim all the lights sweet darling
Cause tonight it's all the way
Turn up the old Victrola
Gonna dance the night away

Love just don't come easy
Though it seldom does
When you find the perfect love
Let it fill you up

REPEAT CHORUS

Dim all the lights sweet honey
Cause tonight it's you and me
No need to worry darling
Cause it's for eternity

Love don't come easy
This you know I understand
I want to be your woman
If you'll be my man
Let yourself go freely and I'll
Show you things that you've dreamed of
Don't think that your dreaming
We've found the perfect love
And I'm like a cup come fill me up

REPEAT CHORUS

Do what you want
You can use me all up
Take me bottom to top
Don't leave even one drop

No,no,no do it tonight
You know the moment's so right
Turn my brown body white
Come on dim all the lights

REPEAT CHORUS
