Somewhere tonite we come alive  
Two hearts ignite we're one of a kind  
Here we are undivided by anything  
Just you and I  
We've come so far no one else could ever  
Steal away what we confide  
Who wants to know?

We stick together we're never apart  
Everybody knows who we are  
Because we are one we do it in Unison  
we come together and stronger we are  
Just when the world can tear us apart  
We go on as one we do it in Unison

Gleam of an eye, flash of a smile  
Never too shy playin' ever so wild  
Here we are I'm relying on no one else  
But you and I we've come so far  
No one else could ever steal away what we  
Confide who wants to know?

Rockin' as one there's no time to stop  
I know what we've got we do it in Unison

Here we are undivided by anything  
Just you and I  
We've come so far no one else could ever  
Steal away what we confide  
Who wants to know?
