(Marian Gold/Frank Mertens/Bernhard Lloyd)

Let's dance in style let's dance for a while
Heaven can wait we're only watching the skies
Hoping for the best but expecting the worst
Are you gonna drop the bomb or not?

Let us die young or let us live forever
We don't have the power but we never say never
Sitting in a sandpit life is a short trip
The music's for the sad men
Can you imagine when the space is one
As we turn our faces into the sun
Praising our leaders we're getting in tune
The music's played by the mad men

Forever young
I want to be forever young
Do you really want to live forever?
Forever and ever

Forever young
I want to be forever young
Do you really want to live forever?
Forever, forever young

Some are like water some are like the heat
Some are the melody and some are the beat
Sooner or later they all will be gone
Why don't they stay young?
It's so hard to get old without a cause
I don't want to perish like a fading horse
Youth's like diamonds in the sun
And diamonds are forever
So many adventures couldn't happen today
So many songs we forgot to play
So many dreams waiting out of the blue
We'll let them come true

Forever young
I want to be forever young

Do you really want to live forever?
Forever and ever
