The whispers in the morning
Of lovers sleeping tight
Are rolling like thunder now
As I look in your eyes

I hold on to your body
And feel each move you make
Your voice is warm and tender
A love that I could not forsake

(first chorus)
I am your lady
And you are my man
Whenever you reach for me
I'll do all that I can

Even though there may be times
It seems I'm far away
Never wonder where I am
'Cause I am always by your side

(repeat first chorus)

(second chorus)
We're heading for something
Somewhere I've never been
Sometimes I am frightened
But I'm ready to learn
Of the power of love

The sound of your heart beating
Made it clear
Suddenly the feeling that I can't go on
Is light years away

(repeat first chorus)

(repeat second chorus)
