Drawn like a moth to a flame  
I've been consumed by the fire  
I've only got myself to blame  
I should've known better  
Than givin' to desire

And with an arrow through my heart  
I watch your image fall apart  
True colors blinding me  
I don't like what I see

You know you got a bad attitude  
I wanna love you but you're dumb animal  
Raw like diamond in the rough  
I think you're pretty but you're too tough

You see the glass half empty  
I see the glass half filled  
You try to tell me it's alright  
You say you're gonna change you're ways  
Ooh baby you know you never will

You know you got a bad attitude  
I wanna love you but you're dumb animal  
Raw like diamond in the rough  
I think you're pretty but you're too tough

I don't need your bad attitude  
It's hard to love you when you're too wild animal  
Raw like the diamond in the rough  
I've had my fill babe enough is enough

And with an arrow through my heart  
I watch your image fall apart  
True colors blinding me  
I'm not impressed with what I see

Tempting me with a bad attitude  
I wanna love you but you're too dumb animal  
Raw like diamond in the rough  
I've had my feel baby, enough is enough

I don't need your bad attitude  
It's hard to love you when you're too wild animal  
Raw like the diamond in the rough  
I think you're pretty but you're too tough

Get out of here with you bad attitude  
I wanna love you but you're too wild animal  
Raw you're like a diamond in the rough  
You could be pretty but you're too tough

I don't need, bad attitude  
I wanna love you, I wanna love you  
Bad attitude, I wanna love you  
Get out of my face now

Bad attitude, I wanna love you  
Bad attitude, I wanna love you  
Bad attitude, I wanna love you
