Maybe I'm a fool, one day we'll know
Maybe I'm a fool, only time can show
But now these lonely nights are killin' me
I'm so far away from reality
The pain grows stronger
I can't hold on much longer
It hurts when I think of how I had your sweet love
And still I set you free

Lucky, I said I hope you try and understand
Lucky, guess it's not like we planned
Lucky, you know I really really love you so
But Lucky, I still have to go

I wish that you could see the tears on my face
Painful memories of a love I can't replace
I'm sailin' in the past, and I sinkin' fast
You can hear my S.O.S. cryin' out for tenderness
Though yesterday's dead and gone
Your magic still lingers on

It hurts when I think of how I had your sweet love
And how I set you free

Lucky, I said I hope you try and understand
Lucky, I guess it's not like we planned, oh no no
Oh Lucky, you know I really really love you so
But Lucky, I still have to go

Oh Lucky, I said I hope you try and understand
Lucky, I guess it's not like we planned
Oh Lucky, you know I really really love you so
But Lucky, I still have to go

Lucky, I said I hope you try and understand
Lucky, I guess it's not like ... [fade out]
