Maybe I love you, maybe I don't
Maybe I'll need you and maybe, baby, I won't
Guess, I don't take the time
To let you know what's on my mind
Maybe I've been blind

Maybe I'm crazy, maybe I'm sane
Maybe I need to go away, start over again
But if I went away
I'd be afraid, I should have stayed
Maybe I'm afraid that maybe I love you

And believe me when I tell you
It's because of all the things you say and do
That help me make it through, I need you
But when I try to say goodbye
I realize, I won't know what to do if I don't have you

Maybe I love you, baby, I do
I guess, I loved you the first time I saw you
And when I don't take the time
To let you know what's on my mind
I know that I'm too damn blind but baby, I love you

Maybe I love you, maybe I don't
Maybe I'll need you and maybe, baby, I won't
Guess, I don't take the time
To let you know what's on my mind
Maybe I've been blind but maybe I love you, I love you
