The whisper in the morning
Of lovers sleeping tight
Is rolling wild like thunder now
As I look in your eyes

I hold on to your body
And feel each move you make
Your voice is warm and tender now
A love that I could not forsake

'Cause I am your lady
And you are my man
Whenever you reach for me
I'll do all that I can

Even though there may be times
I seem so far away
Don't ever wonder where I am
'Cause I am always by your side

I am your lady
And you are my man
Whenever you reach for me
I'll do all that I can

We're heading for something
Somewhere I've never been
Sometimes I am frightened but I'm ready to learn
About the power of love

The sound of your heart beating
Made it clear so suddenly
The feelin' that I can't go on
Is so far away

'Cause I am your lady
And you are my man
Sometimes I am frightened but I'm ready to learn
About the power of love

We're heading for something
Somewhere I've never been

Sometimes I am frightened but I'm ready to learn
About the power of love

I am your lady
And you are my man
Whenever you reach for me
I'll do all that I can

We're heading for something
Somewhere I've never been
Sometimes I am frightened but I'm ready to learn
About the power of love

'Cause I am your lady
