(Martine Clemenceau, Diane Warren)

I still remember how much I used to need you  
Tried so hard to please you but you didn't need me  
You knew I loved you knew I always would be there  
You just did what you wanted you didn't care

All the cards were held by you  
There was nothin' I could do  
All those nights I sat alone starin' at the telephone  
Wonderin' were you ever comin' home  
Solitaire, it got so lonely  
Solitaire, no one to hold me  
Where were you when I played solitaire?

It took some time but I stopped thinkin' about you  
Started livin' without you now look who's back here  
You've had a change of heart, well, mine just couldn't  
wait, no no  
You found out you loved me just a little too late

Once the cards were held by you  
Now there's nothin' you can do

All those nights you sit alone starin' at the telephone  
Wonderin' if I'm ever comin' home

Solitaire, see what it's like now  
Solitaire, to cry all night now  
Solitaire, see how it feels to play  
Solitaire, it gets so lonely  
Solitaire, you wanna hold me  
Don't wait up, 'cos babe, I won't be there  
Solitaire, solitaire, solitaire

Solitaire, see what it's like now  
Solitaire, to cry all night now  
Solitaire, see how it feels to play  
Solitaire, it gets so lonely  
Solitaire, you wanna hold me  
Don't wait up, 'cos babe, I won't be there  
Solitaire
